

Announcing the second annual Fall 2011 Hudson Valley Pace Series!

Get in on the excitement! This year we have 5 Dutchess and Columbia County hunter paces in our series. Earn points for every pace you enter. The higher you place the more points you earn. Participate in **at least 3** of our member paces and you automatically qualify for fabulous prizes and bragging rights. The more paces you enter the greater chance you have to win. Points will be awarded to individual riders so you need not ride in the same team throughout the series.

The paces are run independently of each other and each sets their own entry fees and their own rules. For more information email: HVPaceSeries@aol.com
